

## Hotels

We have arranged some specially discounted rates at a few neighbouring hotels, which can be booked directly using the links provided.

The rates are only available to be booked until **23<sup>rd</sup> May** any booked after this cut-off date cannot be guaranteed at the negotiated rates below, and rooms are limited in each venue, so early booking is recommended. (It is also worth noting that there are 2 major concerts taking place on 13<sup>th</sup> and 14<sup>th</sup> so availability will get much lower and rates are likely to increase across the city)

Extra nights may be available at the agreed rates also (subject to availability), if you require any extra nights, please contact us on [reservations@intelligent-venues.com](mailto:reservations@intelligent-venues.com) and we will arrange for you

The hotels are located close to The Renold Building, and within easy reach of train stations and also the Science and Industry Museum (Dinner Venue)
